LIEUTENANT MEADE'S DEATH. A cablegram was received in Winchester, Va., on Saturday announcing the death of Lieutenant Meade, of Millwood, Va., which occurred at Manila

fessor S. Key Meade, sr., and was born on his father's estate, Prospect Hill, near Millwood, 24 years ago. He was graduated from the West Point Military Academy at the outbreak of the Spanish-American war, and was immedistely assigned to one of the regiments to Cubs. Waile there he was severely wounded in the erm, and was brought back to the United States for treat-ment. He is survived by his parents, one sister and three brothers

independent company by General Otis. While serving in this capacity he, with Lieutenant Boyle, of Baltimore, distinguished themselves in making a night attack on a party of Filipinos after the insurgents had been driven out of Balamba, a large town in Luzon. They entrenched themselves on the outskirts of the town, and made themselves very troublesome to the American troops, who were ordered not to leave the town. The Filipinos made nightly sallies upon the American outposts, inflicting severe losses upon our troops, and making this Filipino entrenchment anything but an agreeable neighbor. Finally, Lieutenant Meade volunteered to disperse the insurgents upon a plan of his own, which, being approved by the commanding officer, was executed oy him. Selecting a squad of twenty men, of which Lieutenant Boyle was one, they proceeded to the Filipino entrenchment by crawling on their hands and knees. This gallant Virginian completely surprised the insurgents, re pulsing them with such great loss that they stopped troubling our troops. Lieutenant Meade received honoratle mention from General Otis for the part ne took in this skirmish. He was in command of this independent company at the time of his death. Lieutenant Meade was a grandson of the late Bishop Meade, of Virginia. He was highly educated, and possessed a very bright

A Word to Mothers. Mothers of children affected with croup or a severe cold need not hesitate to administer Chamberlain's Cough Remedy. It contains no opiate nor narcotic in any form and may be given as confidently to the babe as to an adult. The great success that has attended its use in the treatment of colds and croup has won for it the approval and praise it has received throughout the United States and in many foreign lands. For sale by all druggists.

QUESTION ANSWERED. Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grand mothers never thought of using any-thing else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendictis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with beadaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by Ernest L. Allen, Claud M. has succeeded in photographing objects solely by the light from the plant V .nus. By this is not meant photographing the planet itself, which has been done many times. The experiments were conducted within the dome of the observatory, so that all outside light was excluded except that which came of the dome. The time was the darkest hour of the night after the planet had risen and before the approach of daws. The action of the light from Venus was much stronger than anticipated, the photographic plates being remarkably clear, intense and fully timed. The experiment will be con-tinued every clear night. Dr. Brooks was an early worker in photography, and has used it for many years in his astronomical research.
